### **II. Course Description:**

This course is a prerequisite to Reading II. The course aims at helping students improve their reading ability and to augment their vocabulary. Towards this end, the course provides intensive practice in reading grammatically complex sentences and paragraphs. It will address a wide variety of reading skills and strategies, such as guessing the meanings of unfamiliar words, skimming for the topic and the gist of a paragraph, and scanning for specific details. In addition, students will learn how to use dictionary to look up new lexical items whose meaning cannot be deduced from context.
