IV.	Teaching strategies of the course:

The main focus is put on students' activity during classes, their interaction with each other and teacher. Communicative method of language teaching is to be used. Exercises are prepared so that they facilitate the understanding of the text and practice the vocabulary and other characteristics of the language related to the profession. Some of the exercises are prepared so that they inspire students to practice their language skills by using their wider knowledge of the subject matter. In short, instructors should use a variety of teaching strategies, in-class activities and teaching aids that can create an interesting and motivating learning environment. This includes:

Lecture
Tutorials
problem solving
case study
independent study
practical lab sessions (listening and pronunciation exercises)
Individual and group work
Mini-writing projects
Presentations
Role-plays
Seminars and workshops
