II. Course Description:

This course is one of the University General Requirements. It is a prerequisite to other specialized courses which are offered in English. It is designed to provide students with the required knowledge and skills in English language related to their field of study. It provides students with the basic aspects of academic-oriented English to develop their academic language proficiency for university study by covering language areas and skills (listening, speaking, reading and writing) which enable them to understand and use English in settings and contexts related to their fields of study. It covers wide range of topics related to their fields of study with a view to introduce them to the required subject-related terminology. It also provides students with the opportunity to take part in interactive and communicative activities representing their future professional careers. By the end of the course, learners are expected to fulfill upper intermediate level (B2) on the Common European Framework of Reference for Languages (CEFR).
